\*The NEW track (d2T01.NEW) contains a patch for the famous "Jones Gang" introduction to set 2. This has been patched to contain the complete intro from a quite good audience tape (AUD: MR> C> C -- not a completely reliable sourcing, but close enough for its purpose here). The crowd is prominent, and the AUD is fun because they're absolutely nuts. In fact, the whole show circulates in AUD and it's recommended.

\*\*Incomplete and the complete Other One does not circulate.
